

THE PULSE
OF IBIZA

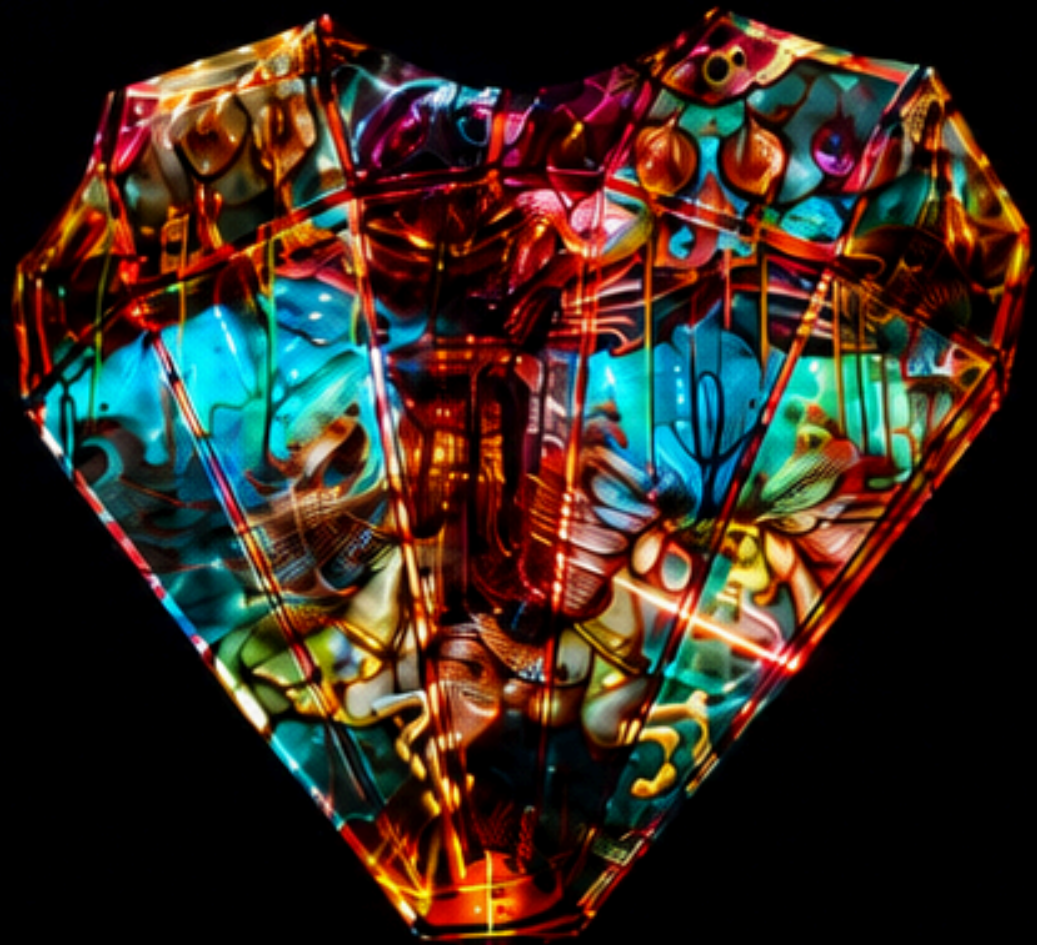

THE PULSE OF IBIZA

IMMERSIVE ART EXPERIENCE

ART • EMOTION • MOVEMENT

Pedro A. Pérez

Where Light Becomes Emotion

More than a work of art, Pulse of Ibiza is a sensory experience that connects light and emotion.

Inspired by the vibrant energy of the island, this monumental installation transforms any space into an unforgettable setting.

DIMENSIONS

Overall height: 3.80 m
Depth: 2.10 m
Stage platform: 2.40 x 2.40 m
Approximate weight: 250 kg

MOVEMENT & CONTROL

Programmable rotation.
Adjustable speed control.
Bidirectional rotation.
Remote control operation.
Adaptable to different types of events and productions.

MATERIALS

Handcrafted welded steel structure.
High-resistance lacquered finish.
Integrated motorized system.
Suitable for indoor and outdoor use.

INSTALLATION

Estimated installation time: 6 hours.
The artwork is delivered in three modules:
Heart + rotating mast system + base.
Installation with 8 anchoring points.
Leveling and commissioning included.

SETUP

Requires standard 220V electrical supply.
Installed by our technical team.
Suitable for indoor and outdoor use.
Adaptable to different lighting and production setups.

LIGHTING

The artwork is designed to interact with ambient lighting.
It can be illuminated using architectural spotlights, stage lighting or production lighting systems according to the needs of each event.

TANIT

THE ETERNAL GODDESS OF IBIZA

In Ibiza, each path reveals Tanit, where the heart awakens and moves.

LOVE • FERTILITY • PROTECTION

Tanit, the goddess worshipped in ancient Ibiza, symbolizes love, motherhood and fertility.

Depicted with open arms and a lunar headdress, she embodies protection, a connection to the divine, and harmony between the earthly world and the celestial realms.

Her presence has transcended time, becoming one of the most powerful symbols of Ibiza's spiritual identity.

More than a sculpture, it is a symbolic presence
that transforms space and awakens the memory of
remote times.

Designed for ceremonies, rituals and special events, Tanit serves as a meeting point for connection and gathering.

Its monumental structure can become a ceremonial gateway, marking the beginning of a unique and unforgettable experience.

An artistic representation that transports us to a time when the sacred was part of everyday life, inviting us to reconnect with the energy, beauty and essence of Ibiza.

DIMENSIONS

Overall height 5,5m
Overall width 3m
Base 3m x 1m
Side walkways: 60 cm on each side
Total width including walkways:
2.20m

MATERIALS

1.5 mm laser-cut steel sheet.
